

# LADIES AUXILIARY

BY BARB HARWOOD & ALYSE WAGNER

The ladies are still planning the Spring Show tour and luncheon. With the Covid variants, this far ahead we can only speculate what we will have available. More information will be in the Spring issue. We had a nice luncheon catered by the hotel at the Lafayette last year and our speakers surely enlightened us on the women that made Marietta what it is today.

Please be thinking about the Auction and how you can participate. We beat our first auction total with 61 items, 21 bidders and collected \$708. The first auction was \$640 in 2019. Thanks to all that participated or made a bid. Everyone pulled together. Thank you to

Judy Yerian, Janis Donley, and Mary Hoover for helping collect and tabulate the bids. We are looking forward to the items for 2023. The variety made the table so interesting and generated lots of conversation too.

Wishing everyone good health and a safe summer. Please have Janis Donley in your prayers. She had a major stroke the end of June and is still recuperating with therapy etc. We would love to see her at the Spring Show and have a great visit as always.
