PRESIDENT'S MESSAGE

Dear Friends,

Hello to all of the members of the AOLRC. It is time to start a new year. There were some success and failures this past year. Thanks to Liza Kindig and Mark Herman we had a nice picnic and shoot at the Log Cabin range. Thanks to our Board and members who supported us at OGCA and Canter's Cave.

However, we had to cancel Hilliard because of lack of support from our membership. I received only 6 table reservations. The Board will not sponsor another fall show unless we get support and commitment from our membership, and plan to keep it in the central Ohio area. Looking for support and commitment from our members, Email me at igcpost6@yahoo.com or we can talk at our annual meeting.

On the positive side looking forward to Marietta in April we have two artists who are going to display their talents in leather work and engraving. Three members who will be demonstrating tin work, horn carving and long rifle assembly. Featured gun maker will be the Yerian family of makers.

Friday set up starts at 3. Remember table reservation is \$25.00 per table. Tables will need to be labeled Display Only or Items for Sale. Items for sale will be closely monitored to keep from becoming a Flea Market. Last year you did such a great job, this is just a friendly reminder.

We will have our usual buffet and birthday cake, asking for a \$5.00 person donation. Don't forget to support the Ladies of the AOLRC. Please take part in their silent auction with a donation or bid on an item you like. When you see these ladies, thank them for their support they give to the AOLRC. They have a goal of using a portion of the monies raised to create a scholarship to support youth marksmanship.

Saturday's dinner is \$31.00 per person -- see the form for options. Let's see if we can have an attendance of 100 consisting of members and family. We have a couple of items to raffle off so bring some extra dollars. Also, an excellent speaker is scheduled.

Respectfully, Jim Clippinger
