# PRESIDENT'S MESSAGE

Dear Friends,

It is mid-January as I write this and I hope that although we are all suffering from cabin fever I hope all of your home's and loved ones are well. 2020 was a year like none of us can remember and we can only hope that the virus is brought under control sooner than later.

With many shows and shoots having fallen victim to the virus, we have not been spared. As many of you have already heard, the Board has decided to cancel the annual Marietta show. Based on the state mandated guidelines the hotel has been saddled with, and the welfare of our members and patrons, we felt it was the best thing to do. We did hold the fall exhibit, sell, and trade show in Ashland successfully to everyone's satisfaction but we were not saddled with the current guidelines.

On a more optimistic note we are moving ahead with our picnic/shoot at the Log Cabin again this year, hosted by Liza, and will look forward to seeing you there on August 8. We have also confirmed our 2022 Marietta show dates as April 8 & 9.

## ***We need each of you to do two things for us:***

*First:* we would like to have each of you send to a member of the nominating committee the name of anyone you would like to see on the election ballot, including yourself, by May 15. It is important that you

either email or use USPS so we have an accurate count.

The ballots will then be printed and mailed to you.

*Second:* Jim Clippinger still needs your personal information, phone#, email, address and spouses name, for a new directory which is long overdue. Please send that to Jim ASAP.
